

# CALLING ALL BDS DISTRIBUTORS

**ULTIMATE  
ADVENTURE**  
2015 PETERSEN'S  
**4WHEEL**  
IS OFF-ROAD

## DO YOU WANT TO GO 4WHEELING ON THE 2015 ULTIMATE ADVENTURE?

Here's your Chance! BDS Suspension is the official suspension sponsor of the 2015 UA trip to be held this summer and we're offering up our sponsor vehicle spot to one lucky distributor to attend. If you have a bad ass trail rig, something unique or plan to build a rig we want to hear about it! Vehicle must be capable of completing the weeklong 1000+ mile offroad adventure under its own power, carry gear and spare parts and make it 150-miles between refueling. BDS is offering financial/product assistance to the winning vehicle. Wheel your vehicle on the UA, network with the sponsors and magazine staff while representing BDS on the trip with a BDS rep sitting shotgun to spot trails and help along the way. Vehicle will be required to meet event requirements as well as be wrapped with BDS vinyl graphics.

### Contest Requirements:

Open to current BDS distributors  
(1) Driver + (1) Vehicle  
Passenger will be a BDS Rep

### Vehicle Requirements:

35" or Larger Tires  
Front/Rear Lockers  
Roll Cage/Roll Bar  
Seat Belts/Harness  
Recovery Winch  
Front/Rear Tow Points  
BDS Components Installed

### Interested?

Contact your BDS Sales Rep for more information and to submit vehicle and tech specs for consideration. Vehicle decision will be made by April 31, 2015.
